Principals Report:

Dear Parents / Care Givers

Assembly

Well done to Room 5 who hosted this weeks assembly. The students did a great job reciting their persuasive poem (beautifully written by Mrs Parry) convincing us why it was imperative to study hard at school. Well done Mrs Parry and Room 5.

Faction Carnival

Last Friday we held our athletics carnival and it was a huge success. The students did a great job representing their factions, working well in teams and individually. Well done to Ruby, who was the winning faction on the day. Thanks to Mrs Farmer for all of her hard work coordinating the carnival and we look forward to seeing our students now compete in the interschool carnival at Roseworth PS next week. The jumps and throws will be held on Wednesday morning with the main carnival on Friday, juniors competing in the morning and seniors in the afternoon.

Aussie of the Month

Congratulations to Carli-Rose who was awarded our Aussie of the Month award for September. Carli-Rose was nominated by Mrs Price for her perseverance and for always trying her best. Carli-Rose receives a new school uniform from the P&C. Well done.

Book Week

Congratulations to our book week award winners. A large number of students and teachers got into the theme of reading is my superpower and enjoyed dressing up as their favourite book character. Our characters of Mary Poppins, Peter Rabbit, Peter Pan and Sarah took out the awards for the day. Well done to everyone for getting involved.

Maths Masters

As we approach the end of the term it is nearly time to resit our basic facts number tests. At the start of the term each class set a class goal that will contribute to our overall school goal. At the start of term as a school we answered 12 887 questions correctly and our goal is to achieve 15 841 questions answered correctly at the end of the term. Hopefully everyone is practicing hard at home with their number games!

PARENTING COURSES

West Leederville
September 2019

Parent-Child Connection x 4 Tue 3 - 24 Sep 6.30-9pm \$50pp/\$75pc

Parenting doesn't come with a guidebook but we do know what helps create a strong parent-child connection: security, warmth and positive attention, and good communication - plus boundaries and fair rules. This practical course will help you understand your child's development and behaviour and give you some tools so you can parent with confidence and enjoy your kids.

Parent-Teen Connection Sat 7 Sep 9.30am-4.30pm \$50pp/\$75pc

Are you going through difficult times with your teenage child? Struggling to understand their moods and behaviour? There are plenty of things you can do to maintain a strong relationship and stay connected with your teen. This course will provide you with a practical 'how-to' guide to help you understand their behaviour and show you some skills to manage their behaviour effectively.

Mums Raising Boys (up to 22) Mon 9 Sep 6.30-9pm \$30 p/person

Mothers, who are usually their son's primary female role model, play a vital part in developing their son's identity, including their ability to be nurturing. This session includes building confidence and competence in sons and setting boundaries.

Rock & Water Program (8-19) Sat 5 Oct 8.30am-12.30pm \$70 per pair

This program leads the child from simple self-defence, boundary and communication exercises to a strong notion of self-confidence. We encourage fathers, mothers, daughters and sons to spend a Saturday morning together examining their emotional connections with each other whilst learning new skills to strengthen family ties.

Mums Raising Teen Girls Mon 16 Sep 6.30-9pm \$30 p/person

As we know, the relationship between a mother and her daughter is very important. This workshop helps mothers to better understand their daughters and the challenges they go through during puberty and helps to better equip their daughters to be happy and strong individuals.

NEW How to Develop Qualities in our Children

Sat 21 Sep 9.30am-4.30pm \$60 p/person

All parents and those caring for children would like to see children display such qualities as kindness, truthfulness, fairness and respect. This one day workshop gives some strategies as to how you can assist children to develop and practice these qualities, and in turn, help create strong, values-based relationships. This workshop is based on the Virtues Project.
