

## **Dianella Primary College Parents & Citizens Executive Committee meeting**

**10/3/2020, 1.20pm, DPC Staff room**

### **In attendance:**

Kalthum Ziandien, President

Melissa Ozich, Vice President

Rose Hsieh, Treasurer

Maxine Potgieter, Secretary

Maryann Henwood, Committee member

Sana Zahid Khan, Committee member

Michelle Walker, Committee member

Anthony Middleton, School Principal, was in attendance for a short time.

Kalthum Ziandien, President, left the meeting at approximately 2:15pm.

### **Discussed:**

- Edudance. Mel spoke to Anthony about the possibility of doing the “Bop til you Drop” program instead of Edudance. Anthony says a tentative yes. Two programs to choose between, discussed the differences, committee agree program #2 seems most appropriate for our school. Discussion as to whether it will be junior primary or whole school, Anthony to bring it up with whole school teachers for input. Mel to email the company re expression of interest for TERM 4.
- Open Night. After discussion, committee agrees it has come up too quickly for us to organise any sort of P&C involvement.
- Sponsorship and advertising from 3<sup>rd</sup> party companies. Mel has previously asked businesses for donations to raffles in the past. Probably more discussion to be had about this.
- FB group for committee communication – committee agrees this seems to be working.
- School banking. Sana volunteers to receive banking from students and Mel and Rose will share the depositing duty. Sana to introduce herself to the current parent who is running the banking.
- Communication. Who has access to the schools social media accounts. Discussion about how we can best communicate to the general school population. It was agreed that there would be the creation of a school P&C public page (rather than a group), Michelle agreed to author the page and would speak to Anthony and Rudi about this.
- Colour Run. Maxine to speak to Mrs Farmer who would give us a date, and track down the physical package it sounded like had been dispatched to the school. Michelle to generate social media once a date had been set.
- Aussie of the month. Uniforms costs have gone up, will we continue to fund this program, or perhaps change the frequency of the giveaway – TO BE DISCUSSED AT THE NEXT MEETING.
- Disco. Bop til you drop are able to facilitate events like this, at a cost. If we are no longer funding Aussie of the month, we may be able to fund BTYD facilitating this disco instead. Melissa to see about costing. DISCUSS AT NEXT MEETING.

- Community events. Parenting programs, movie nights. No real conclusion, just consensus that we would like more of these events.
- Frequency of P&C meetings. Most agree we need more meetings, possibly 3 per term. AGM slated to be moved to term 4.
- P&C members roles. Particularly regarding communicating with the wider school. Suggestion to take up WACSSO training. No conclusion reached.
- Handwashing and Hygeine. Needed further discussion. Question over breakfast club and lunchtimes.

Minutes taken and prepared by Maxine Potgieter, Secretary.

Next meeting date not set at the time of these minutes, but later set by the president for Tuesday 24<sup>th</sup> of March at 2pm.

This meeting concluded at 3pm 10/03/2020
